The Adventures Of Mbeh And Enyi

When a king offers a great reward for anyone who can bring him a living elephant, the strongest hunters all fail. A clever tortoise named Mbe chooses wisdom over strength and forms an unlikely friendship with the mighty Enyi. But when the truth comes to light, their friendship is tested, and forgiveness becomes the greatest victory of all. A heartwarming African folktale celebrating wisdom, honesty, friendship, and the courage to do what is right. "Oro Goro Desu...!", "NGWODI!"

Podcast

The Final Whistle

Two football legends, Lionel Messi and Cristiano Ronaldo, have inspired millions through their extraordinary achievements and dedication to the game. Rather than fueling endless debates over who is the greatest, we celebrate both players exceptional. Through a respectful discussion led by Dora, with Victor and Iliary sharing their perspectives, the conversation highlights lessons of hard work, talent, and perseverance. The ultimate message is simple: stop comparing greatness — be inspired to create your own.

Other Recent Web Apps

Denzix Bank App

Developed an AI-powered digital banking application that modernizes banking through intelligent automation and secure financial services. The platform enables users to manage accounts, transfer funds, pay bills, and track transactions seamlessly.

AI features provide personalized financial insights, spending analysis, fraud detection, and virtual customer support. The solution enhances customer experience while improving operational efficiency and supporting smarter financial decision-making.

Mama Put Online

Developed a modern online Nigerian restaurant platform that showcases a wide variety of freshly prepared local delicacies. The application allows customers to browse menus, explore meal categories, place orders, and enjoy a seamless ordering experience.

Built with a responsive, user-friendly interface, it promotes authentic homemade cuisine while making food ordering fast, convenient, and accessible across devices.

Old School Alumni Portal

Developed a responsive alumni portal for the Abia State Polytechnic Accountancy Class of 2010 to strengthen communication and lifelong connections among graduates.

The platform enables member registration, profile management, announcements, event coordination, networking, and alumni engagement through a secure and user-friendly interface.
